

## 8X Ultra-Slim Portable DVD Writer

The MediaStation™ Ultra-Slim Portable DVD Drive is an affordable, portable DVD writer. This external DVD writer is the ideal companion for a laptop or Netbook. As a high quality alternative to laptop manufacturers expensive options, this device is ultra-slim and sleek with a high gloss finish. The MediaStation is powered by your laptops USB port, so no AC adapter is necessary. For laptops that are underpowered the convenient USB Y-cable allows you to connect to a second USB port to power the unit. The MediaStation also includes the CyberLink DVD software suite for Windows.
